Do your doors come with a frame?

We do not supply frames with our internal doors, though we do offer a range of furniture & fittings.

Do you supply hinges with your doors?

Hinges are sold as optional extras; our range includes polished chrome & polished brass butt and flush hinges.

If I order a door with hardware will the hardware come fitted?

Any hardware bought with a door will be supplied loose; this will ensure that the hardware isn't damaged in transit.

Is the furniture shown fitted to the doors in your brochure included with the doors?

All furniture is sold at an extra cost & is purely shown representatively in the brochure.

Does your fire door come with a frame?

Our fire door does not come supplied in a frame; it is up to the buyer to fit the door leaf in a suitable fire rated doorframe.

What do I use to clean the door?

We insist that only a soft cloth in soapy water be used to wipe the panel down. For any furniture fitted to the door we also advise that it is wiped down on a monthly basis.

Do you offer any other glass designs other than those in your brochure?

All the glass designs we offer can be found in our brochure, though if you do not see what your looking for then please contact us.
